

PL-A705- Chanson Miracle Max Plus Ionizer

“Counter Top Models”

Product Description

Chanson Miracle Max plus makes your kitchen beautiful with its touch screen panel and fully automatic alkaline water ionizer machine. It provides you alkaline and acidic water simultaneously. Chanson alkaline machine have largest seven titanium plates with nano fritting patent technology platinum coating (Made in Japan) means it gives you accurate ionized alkaline water which can be use in many ways like drinking, washing of vegetables and also in cooking, It removes pesticides, colour and other impurities from vegetables also removes wax from fruits, rice and pulses. Our ionizer is the best in its class which gives also acidic water for anti-bacterial, sanitization and many skin problems as its also called beauty water (works as a toner on face).

Chanson never compromise in quality that's why our ionizer tested at 18 stage quality test. We design our ionization machine fully automatic in convenient to use.

Miracle max plus multi touch sensor panel is user friendly and easy to operate even by kids also. Multi colour water proof operating panel displays all the function with colour, screen displays input water flow rate, negative ORP generated, PH value, filter life and many useful information and child lock as a security feature.

Alkaline ionized is very much recommended by the doctors, dentists, scientist and all the health conscious people, who wants a healthy longer life, it is the only ionizer doesn't use bleach or any chemical leaves toxic material and other residues on the ionization plates, making it worse with every use and reduce the performance day by day.

And, above all, it is miraculous when it comes to your body, skin, and hair no matter what type of water comes to your premises, whether hard or soft. No need to worry, the quality of the acid water produced by the Miracle Max plus is amazing as it can produce such beauty water from any water source.

Miracle MAX Plus, you get the best quality of alkaline water to a healthy life. It's our pride to mention that our super ionized alkaline water technology is the best in the world (USA Number1 Brand).

Few of the amazing features that outstand our Miracle Max Plus ionizer's are-

- 1) Biggest Plates, and a smallest unit
- 2) It can produce the highest and lowest pH Levels.(2.5-11.5)
- 3) Auto Radial Action De-Calcification self-cleaning system (RAD patent technology) to increase the ionizer life.
- 4) Can run entire day without overheating or depending upon your water source flow.
- 5) Fully Waterproof Touch-Screen Display.
- 6) Advanced CPU with auto memory to save power can be run on single battery inverter.
